# FOREWORD

## 41st Semi-Annual Sale

As you will note this will be the 41st semi-annual sale held by this Association. Some sales have been better than others, naturally, but as a rule the quality of the cattle has been good and increasingly better each year. The pedigrees are such that any one can use these cattle in their breeding operations and be proud of the breeding of the cattle he will later have to offer.

A lot of good bargains have passed through our sales. All one has to do to make money on the cattle we sell is to keep them long enough and take good care of them. Past experience has proved that they will pay an excellent dividend on the investment.

Just a word about this offering. It consists of 16 bulls, which are a nice lot, not highly fitted but a good rugged lot of bulls you will like. Buy a bull this Fall; you can afford to winter him rather than wait till next Spring when everyone is needing a bull.

The female part of the offering is attractive, a good percentage of the cows being with calves at foot. There are bred cows and heifers as well as a few open heifers.

We invite all interested in better livestock to be our guests sale day. Come to the sale. You will be glad you did.

There will be no show but come early and inspect the cattle.

## GENERAL INFORMATION

**LOCATION**—The sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Saturday, October 3, 1964. Sale at 12:30 p.m.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

**GUARANTEE**—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bang's, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold, and for each calf at foot, and an application for registry will be furnished for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

**BIDS**—Those wishing to buy who cannot be present, may send bids to Bill Stunkel, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association, or the auctioneers.

The three two year old bulls consigned by us are big and rugged. They are sired by what is considered one of the very top sires in our association. Note they are all out of dams sired by Uppermill Repute, a \$3,000 imported bull bred by Durno.

**W. L. CONQUEST** was one of the best bulls ever brought to Northwest Missouri and has sired many of our top sale cattle. Andes Bros. had the misfortune to lose him this summer. They are keeping two of his sons. He had been an American Royal Grand Champion.
